

# Little Red Schoolhouse

## Super Summer, Fun in the Sun, Wild and Wacky, Adventure Program

All summer long, LRS will be "Growing Fit and Healthy Kids" through exercise, dance, sports, and healthy snacks!

Everyday activities include: sports, arts and crafts, music and movement, outdoor fun, water play, and MUCH MORE!

Some events are subject to change due to weather or availability.

New and special events may still be added! Some special events may require a fee.

Parent volunteers are always welcome.

Please keep a towel, swimsuit and sunscreen at LRS everyday because we often cool off outdoors with water fun.

Field trips are for potty-trained 3 year olds and older. Some special field trips may be added for school-age children only.
